

AT THE FRONTIERS *with asylum seekers*

European volunteer programme
with asylum seekers in Italy
Summer 2018

The camp

In line with CLC principles, the camp aims to combine daily moments of prayer with the organisation of recreational activities for asylum seekers. A CLC guide will take care of the spiritual aspects of each shift. Volunteers are expected to participate and actively contribute to all shared moments.

“May you always be witnesses to the beauty of encounter. May you help our society to hear the voice of refugees. Continue to walk bravely at their side, accompany them and let yourselves be guided by them as well: refugees know the ways that lead to peace because they know the acrid odour of war”

Pope Francis to volunteers and workers of Centro Astalli, Jesuit Refugee Service.
