

FORMATION. DSSE ONLINE WORKSHOP

To the World Community

Dear CLC Members,

The Global Formation Team warmly invites all CLC members to participate in our upcoming online workshop, “**DSSE: Discern–Send–Support–Evaluate.**” This formation experience aims to deepen our understanding of DSSE and how living this process can nurture both our personal spiritual growth and our life in community, from the small group to the world level.

Objective of the Workshop

This workshop seeks to strengthen our collective formation journey by:

- Exploring the development of DSSE from Itaiaci to Nairobi
- Reflecting on the meaning and practice of the verbs discern, send, support, and evaluate, and their relevance for our mission as an apostolic body
- Recognizing how God is at work as we live DSSE
- Sharing personal experiences and insights
- Deepening our appreciation of DSSE and making it more concrete in our personal and communal mission

Workshop Outline

Participants will journey together through three interconnected themes:

1. History of DSSE – understanding its development as an Ignatian tool and way of life within our world community
2. Exploration of the Verbs – reflecting on their Ignatian roots and how they inspire and sustain our apostolic life
3. Living DSSE – engaging with real-life experiences and shared reflections in community
